## **BLM 4.1** THE GREAT DEPRESSION ANTICIPATION GUIDE

Circle *Agree* or *Disagree* for each of the statements below.

1. The stock market crash was the most important cause of the Great Depression. Agree/Disagree
2. The government had a responsibility to help people who lost their jobs and homes. Agree/Disagree
3. People in the Prairies did not suffer as much as people in big cities or towns. Agree/Disagree
4. Workers should have been grateful for their jobs and not complained about their pay or conditions. Agree/Disagree
5. Single, unemployed men were fortunate to be able to live in relief camps. Agree/Disagree
6. The new political parties in Canada could solve the problems of the Great Depression. Agree/Disagree
7. The On-to-Ottawa Trek that protested conditions in relief camps was a great success. Agree/Disagree
8. Movies and radio in the 1930s reflected society in the same way that movies and radio reflect society today. Agree/Disagree
