

# LM 1.4 Historians Use Tools!

NAME \_\_\_\_\_

DATE \_\_\_\_\_

Yes, historians do use tools! They need all the help they can get to investigate the mysteries of the past. Use the information on page 4 about the tools historians need to do their job. Then complete the activities below.

## PART A Matching Definitions

- Artifacts are \_\_\_\_\_ a) human-made items that cannot be moved  
Non-artifacts are \_\_\_\_\_ b) naturally made items  
Features are \_\_\_\_\_ c) human-made items that can be picked up and moved

## PART B Apply Your Knowledge

Read the list of words to the right. Decide whether each item is an *artifact*, a *non-artifact*, or a *feature* and record the word in the correct column.

- Hair
- Leather moccasins
- Sword
- Cave painting
- Skull
- Gladiator helmet
- Walking paths
- CD player
- Antlers
