LM 6.4 Sailing Away

NAME

Reread the section "Pirate Ships in Battle" on page 116 of your textbook. Then answer the following questions.
1. a. Describe how pirates typically attacked other ships.
b. Why did they fight this way?
a. Read the rest of this topic. Then list some of the dangers and challenges that sailors and pirates faced while living and working on board a ship. You may use point form.
b. Which of these hardships would you find the most difficult to bear? Why?
c. Would you have made a good sailor or pirate in the golden age of piracy?
Explain your answer.
